Reliable Choice for POS Terminal

msi

PRO AP162T ADL is designed as a Point of Sale (POS) terminal for commercial use.

It offers a stable and efficient platform for businesses and comes equipped with features tailored for POS setups.

Reliable Choice for POS Terminal

msi

PRO AP162T ADL has 2x COM and 6 x USB ports for easy connection to commercial POS devices such as barcode scanners, credit card reader, and receipt printers, etc.

Barcode Scanner

Credit Card Reader

Receipt Printer

Barcode Hand Terminal

Printer Port (Paralle Port)

msi

PRO AP162T ADL has a built-in parallel printer port for direct printing and editing of documents, reducing the risk of data leakage when using public printer devices.

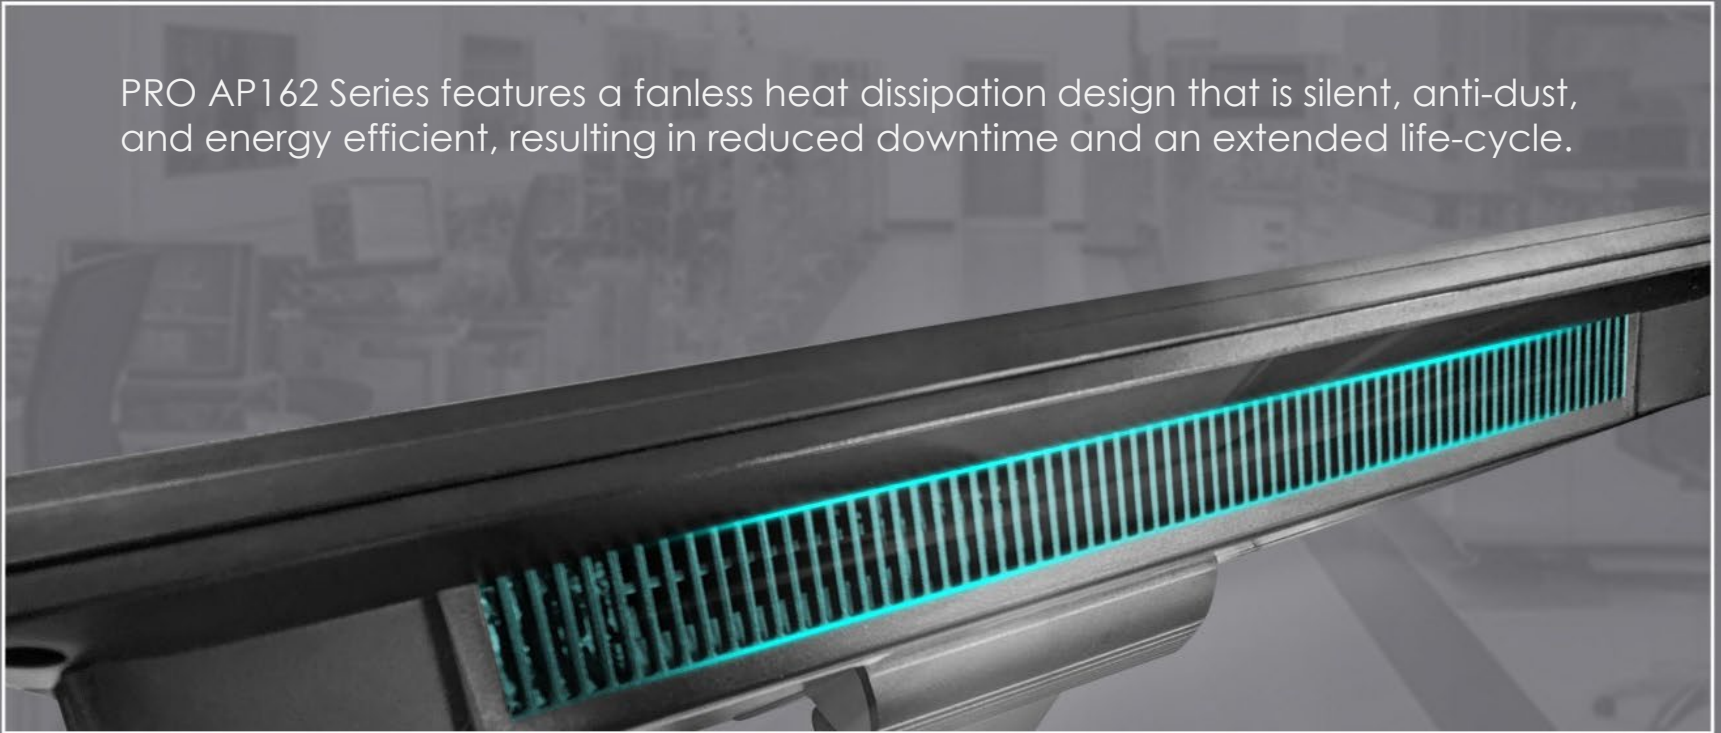

Fanless Design

msi

Silent, Anti-dust, and Energy Efficient

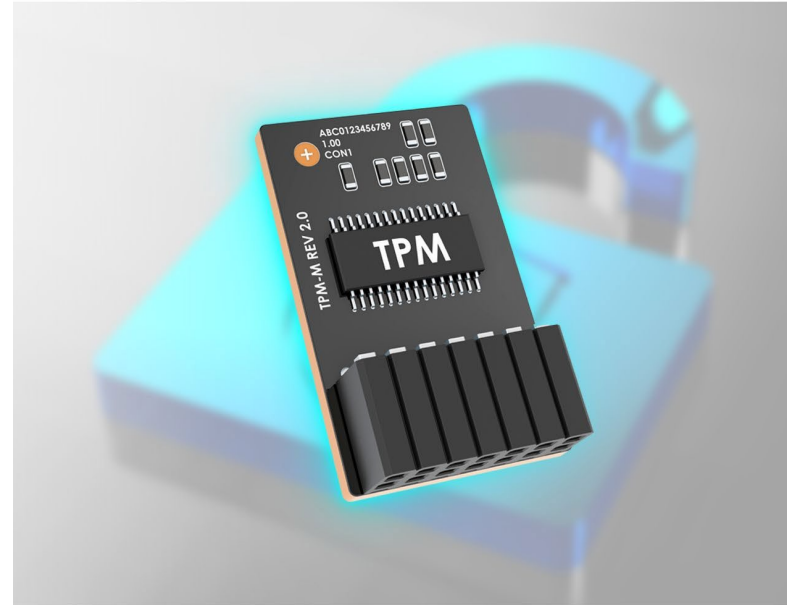

PRO AP162 Series features a fanless heat dissipation design that is silent, anti-dust, and energy efficient, resulting in reduced downtime and an extended life-cycle.

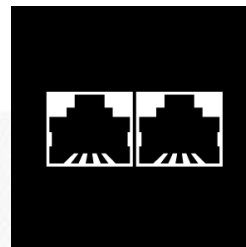

dTPM 2.0 Support

dTPM 2.0 technology provides hardware-based security functions. Sensitive data and passwords can be stored with encryption for advanced protection.

Dual LAN Design

Dual LAN

With the Dual LAN Design, the PRO AP162T ADL will always be your backup and support the Internet/Intranet dual network environments, which can enhance security by turning the LAN connection on or off.

With this flexible design, users have the option to turn off the internet for LAN1 from the BIOS settings, while enabling the intranet for LAN2. This feature makes it more difficult for attackers to access critical data and systems.

Efficiency Optimized for Business Thrive

msi

PRO AP162T ADL enables faster performance, smooth order transactions, and quick inventory lookups.

NVME PCIE M.2 SSD

During the workday, time is of the essence. Optimize the system with an NVME PCI-E M.2 SSD to quickly load POS software, run reports, and perform inventory lookups.

USB 3.2 Gen 2 Type A Port

msi

USB 3.2 TYPE-A
GEN 2

USB 3.2 Gen 2 Type-A ports provide 5x faster transfer rates (up to 10Gbps) than USB 2.0. This enables quicker printing of receipts and invoices, faster downloading of transaction logs and copying of data to external storage.

Design with Convenient Versatility

Make system maintenance easier and increase productivity with convenient designs.

Built-in HDD Caddy

msi

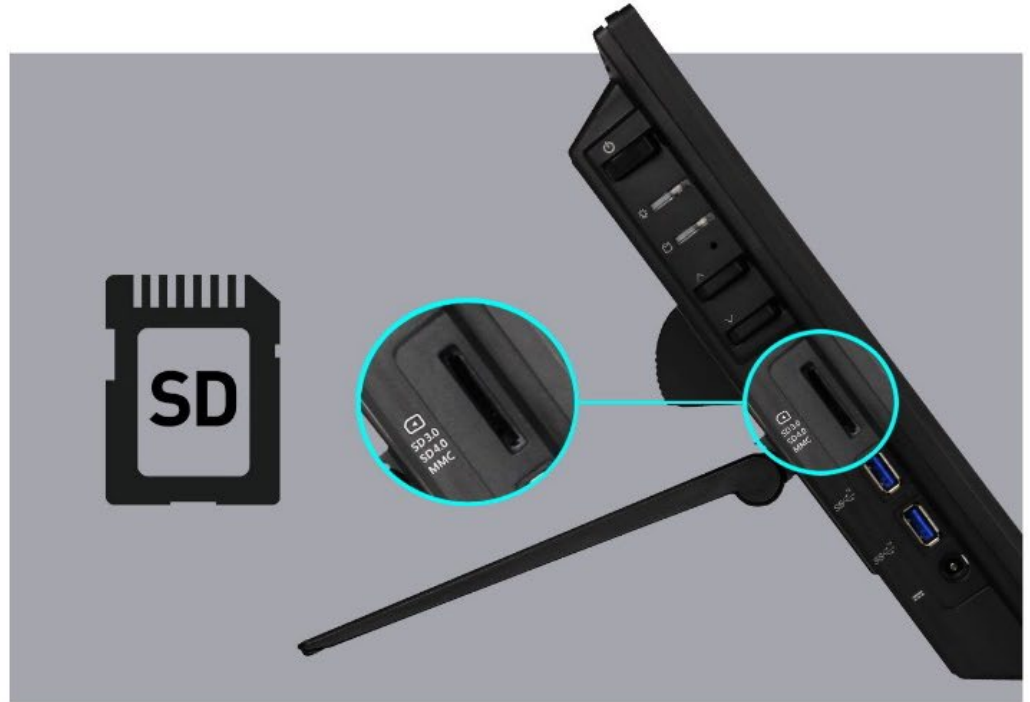

The HDD Caddy design is specifically engineered for effortless system maintenance and quick hard drive swapping by staff.

Built-in Card Reader

msi

The PRO AP162T ADL has a built-in card reader, allowing for easy file transfers via SD card.

See More, Do More

msi

PRO ADL AP162T boasts a VGA output for dual-screen display, providing superior customer service and maximizing productivity across various settings.

VESA Mountable Design

msi

The PRO AP162T can be conveniently mounted on any surface that supports VESA. It can be utilized as a display for public service, providing an intuitive and professional experience.
